Maratua

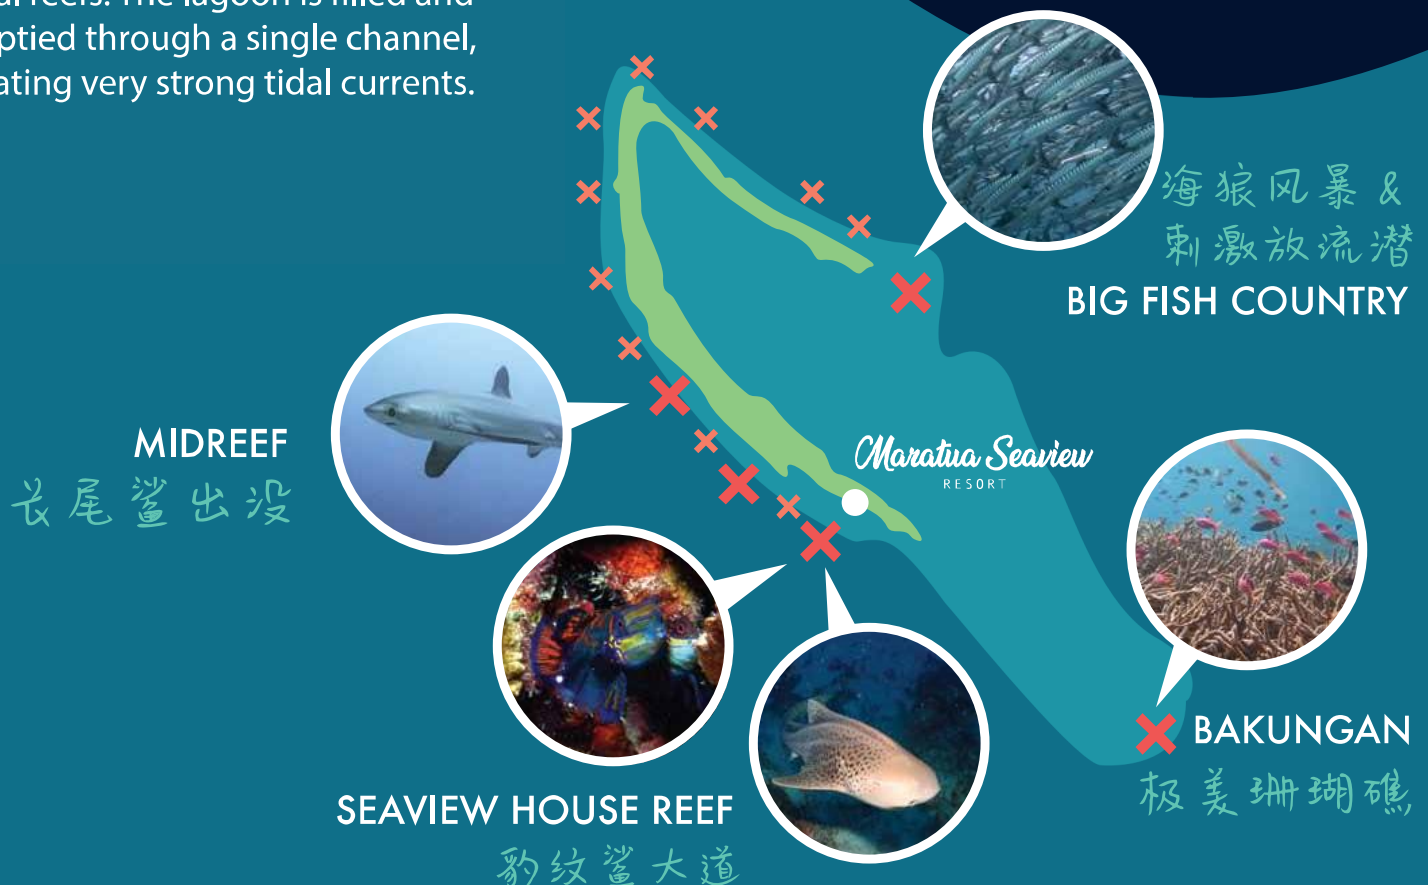

Kakaban

Sangalaki

Maratua Island is a large island with a lagoon. The lagoon surrounds a portion of the island, while the rest is abundant with rich marine life and coral reefs. The lagoon is filled and emptied through a single channel, creating very strong tidal currents.

## Maratua Island

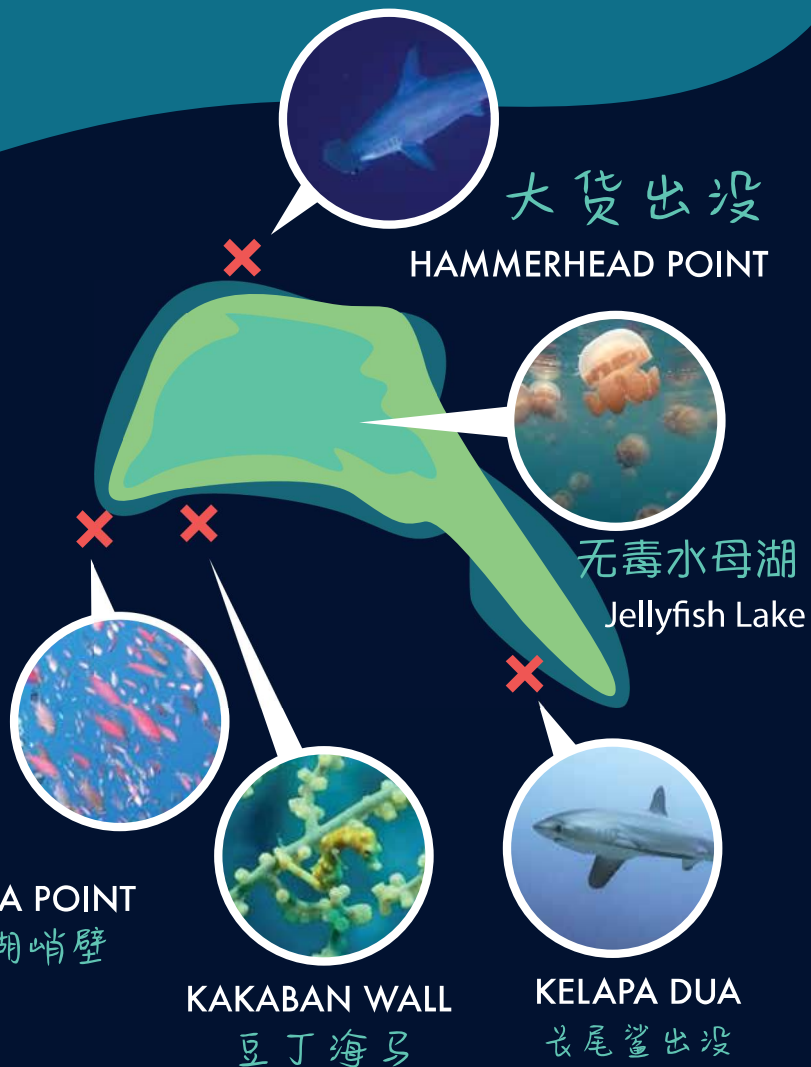

# Kakaban Island

Kakaban Island is a 20-minute boat ride from the resort. Here, you'll find the world-famous non-stinging jellyfish lake, where snorkeling allows you to capture beautiful and dreamlike photos. Moreover, Kakaban's underwater kingdom holds many surprises; you can spot hammerhead sharks and whale sharks here.

Of course, besides the larger marine species, there are also numerous varieties for macro photography enthusiasts. Macro enthusiasts, make sure not to miss out on this opportunity!

# Sangalaki Island

The Double-Tipped Front-Mouthed Batfish - MANTA (legendary Black Knight) of Sangalaki Island is also world-famous. If conditions permit, even snorkelers can interact with them. Divers, of course, can witness their graceful swimming style underwater.

## Resort Overview

Maratua Seaview Resort is constructed in accordance with the standards of a five-star resort. It boasts 18 guest rooms, accommodating up to 40 guests simultaneously.

The accommodation options include twin rooms (semi-detached), standalone garden cottages, and unparalleled sea-view rooms, providing a variety of choices for guests. The main facilities comprise a diving center and a sea-view observation deck.

## Twin Rooms

Twin rooms are semi-detached accommodations facing the west, offering a view of the sunset. These rooms are ideal for staying with family and friends, as two rooms share a common balcony. The balcony is equipped with a sliding door that can be closed for privacy.

# Garden Cottages

Garden cottages are standalone accommodations nestled amidst secluded jungle foliage and natural rock formations. These private wooden huts offer a more comfortable and tranquil environment.
